Kernow

Leaving a life changing gift in your Will.

A simple guide

Kernow

How would you like to change a life?

Thank you for thinking of leaving a gift to Home-Start Kernow. All funds received stay within Cornwall to support families with young children who need us most.

Once you have chosen to support us there are a few ways to do it:

1. A popular and straightforward way is to leave a percentage of your estate, known as a residuary gift. It protects the other parties in your Will and will remain unaffected by inflation and other changes.
2. You may wish to leave a fixed sum of cash, known as a pecuniary gift.
3. Finally, you may wish to leave a specific gift such as an item of jewellery or shares.

Frequently asked questions

Nothing can replace the advice of a solicitor or financial advisor; but here are some answers to some frequently asked questions

Q. Do Home-Start Kernow really need a gift from me?

The short answer is 'yes'. We are a small charity with a big impact, but this is only possible with the help of supporters like you.

Q. Will my gift actually make a difference?

Every penny we get goes into supporting families in Cornwall, so every donation no matter how big or small makes a difference.

Q. If I do leave a gift, how will you find out?

Your Will is private and we won't know if you have left us anything unless you tell us – or until the time comes for your Will to be read. However, if you have included a gift to Home-Start Kernow in your Will, we would like to know so we can say thank you, and stay in touch in the way that suits you best.

Q. What if I change my mind?

Including a gift to Home-Start Kernow in your Will does not make it a binding commitment while you are still alive. So you are free to change your mind – and change your Will again – at any time

Q. I'd like to leave a gift, what are the charity's details?
